## CAREER OBJECTIVE

Looking forward for a challenging position in an organization where I can exhibit my abilities and enhance my skills that contributes success to the organization.

## ACADEMICS

- Pursuing Masters in Information Technology from **IIIT-Hyderabad**
- B.Tech in Computer Science from **Bhoj Reddy Engineering College for women** in 2012 with 72.7%
- Intermediate from Narayana Junior College in 2008 with 91.6%
- SSC from Sadhana High School in 2005 with 86.3%

## PROJECTS

### Public Distribution System:

Public distribution System handles the tasks that are performed by the FCI (Food Corporation of India) and the dealers to track the distribution of the goods to the customers from the shops.

Application developed using JAVA programming language and MySQL database.

### Student Performance Analysis:

It allows us to view the student's performance for each test in a graphical manner and it sends the details and scores of students to the respected mentors through automated mail generation system.

Application developed using JAVA, servlets and JSP.

## ACHIEVEMENTS

- JAVA certified from NIIT
- Presented a paper on "INFORMATION SECURITY" in an event called "Nishitha Netscape 2010-A National level Technical Symposium" Organized in NISHITHA College of Engineering & Technology
- Attendance and Education appreciation awards received in Bhoj Reddy Engineering College

## TECHNICAL SKILLS

- C, C++, JAVA
- HTML, JSP, UML, SQL

## PERSONAL TRAITS

- Punctual, organized and responsible
- Determined and devoted
- A good team player and optimistic

Date: 26-4-2014
